We are a Co-op group, therefore each family must be contributing beyond doing the gate and dropping off the kids at Practices and games. Here are the team-specific and general needs.

Please indicate your family's preference (1st, 2nd, 3rd choice) for EACH ONE of these tasks/positions that are needed for each team so that we have a pool to draw from and share the load with replacements. For every position, once you are assigned, you will be responsible to either be there yourself or to find a replacement. Training will be provided for all positions by HUSTL.
